With Your Help The United Methodist Church is Making a Difference

GIFT OF HOPE SCHOLAR SHARES LOVE OF LEARNING.

Gift of Hope scholar Emma Kate Kiely grew up on a small farm in Missouri. She and her two younger sisters were involved in many extracurricular activities – 4-H Club, sports and youth group at [Clinton \(Missouri\) United Methodist Church](#).

“We were always on the go,” she recalled.

Emma especially cherished times spent with her entire family.

“Although we were always doing something,” she said, “the activities we were involved in as a family helped us stay close and learn how to work together. I couldn’t imagine doing half of the things I have done without my family.”

Emma received much love and care from her congregation. Perhaps because of this support, Emma decided to become a teacher.

“The United Methodist church in my hometown gave me such a solid, loving, caring and supportive church family,” she said. “Many amazing people taught me the values I will need to be successful in life. It’s also been great to have a support group that has the same beliefs I have.”

Now attending [Missouri State University](#) in Springfield, Emma stumbled upon the Gift of Hope scholarship through the United Methodist website.

“Receiving this scholarship has been such a blessing,” she noted. “It is allowing me to pay for the schooling I need to pursue a job in the education field.”

Her most memorable experience was taking mission trips in high school.

“I had the opportunity to go on several mission trips with my youth group,” Emma said. “We traveled to Colorado several times, Arkansas, Kansas City and even Jamaica. We made many great memories and met many lifelong friends. I wish everyone had the chance to experience how wonderful mission trips can be.”

Emma believes The United Methodist Church should support [United Methodist Student Day Sunday](#) because generous gifts help to pay college tuition. “With the cost of college today,” she admitted, “sometimes paying for it can be overwhelming.”

“I know that everyone who receives a scholarship is beyond grateful. It is so rewarding to know that the United Methodist family supports your decision to attend college.”

Emma is gaining the necessary skills she needs to become a successful educator. Thanks to your gifts on United Methodist Student Day, she will inspire her students to love learning!

“I am getting the education I need to make sure my future students are prepared to face the everyday challenges life throws at us,” Emma said.

Thanks to loving parents and her church family, Emma will take this love into her classroom.

“I will use my Christian attitude while in my classroom,” she said, “teaching my students not only their materials, but also how important it is to love one another, no matter the circumstances.”

Emma’s dream is to teach in an elementary school in the Kansas City area.

“After I graduate in 2018, I plan to attend graduate school so I am even more prepared to teach,” she said. “I hope to inspire each of my students to love school as much as I do.”

One of six churchwide Special Sundays with offerings of The United Methodist Church, [United Methodist Student Day](#) calls the church to support students as they prepare for life in uniting faith with knowledge. The special offering provides scholarships for qualified United Methodist applicants. www.umcgiving.org

Effective June 1, 2018 two Sunday School classes will be available for adults - YAMS and New Beginnings every Sunday at 9:15 a.m.

From Rev. Maria Soto's Desk

July 2018

To imitate Christ is to live in a constant quest to discern what God calls us to do in a certain historical time as the one we are living in right now. It is here where it is necessary to practice and live in fidelity to God and in love to others.

Christian Ethics has its foundation in theological convictions about; God, the human condition, nature, and society. These are the theological postulates that provide Christians with basic elements for their vision of what a good life is.

Moral discernment needs to analyze and evaluate the facts recognizing that they will be interpreted in the light of our convictions, beliefs, fears, and values. We must identify the values that will guide our actions. We must act on the basis of the rules that represent the wisdom of a community of faith.

Morally speaking our commitment to faith is to seek greater equality (racial, cultural, economic, educational, political, and social) among human beings. Our ethical stance is an example of the most authentic testimony of our faith in God.

*The meaning of St. Paul is clearly that love will not only fill the heart mainly, but "overflow." The "knowledge" here spoken of is the knowledge that gradually rises to perfection. A personal knowledge of God in Christ can be gained, under his inspiration, by all these combined processes, by thought, by practice, and by **Love**.*

Here St. Paul chooses the path of love, the enthusiasm of love to God and man he knew that the Philippians had. And prays that it may overflow from the emotional to the intellectual element of their nature, becoming in loving characters, a means of spiritual insight, in "knowledge and all judgment." Discernment that recognizes a truth as the eye recognizes an object, to distinguish what is the best.

*"And this is **my prayer, that your love may overflow more and more** with knowledge and full insight." Philippians 1:9*

*Peace be with you!
Rev. Maria R. Soto*

Pastor Soto will be attending courses required by the Conference this summer. Courses are held at SMU (Dallas) July 8 - 14; July 29 - August 4; August 12 - 18. Please keep her in your prayers.

"LET THE LITTLE CHILDREN COME TO ME"

Children at St. Mark's UMC are very much a part of our worshipping community. Here are opportunities for age-appropriate worship, Bible lessons, activities, praise music, and fun!

CHILDREN'S CHURCH on the second, fourth and fifth Sundays of each month at 10:45 a.m.

CHILDREN'S MESSAGE on the third Sunday of each month during Sunday worship. All children are invited to the front of the sanctuary for a brief, simple message (or mini sermon) keeping our younger worshippers in mind.

United Methodists Pass Resolution to End Immigrant Family Separation at Annual Gathering

CORPUS CHRISTI (Tuesday, June 12, 2018) – The Rio Texas Annual Conference of the United Methodist Church passed a resolution on June 9 to formally request the US Department of Justice to cease the separation of immigrant children from their families. Robert Schnase, Bishop of the Rio Texas Annual Conference, presided over the motion during the Annual Conference to address the humanitarian crisis affecting children held in detention centers located across South Texas.

[Rio Texas Transforming Communities Vision Team Chair Dionisio Salazar \(of Parker Lane UMC; Austin\) presented the "Resolution to End Family Separation" before the conference:](#)

"Whereas the United States government recently implemented a coercive 'zero tolerance policy' resulting in the traumatic separation of children from immigrant parents and the subsequent incarceration of children in secretive detention centers;

Whereas several of the detention facilities are operated within the geographical boundaries of the Rio Texas Conference;

Whereas this practice constitutes a violation of international law, child abuse, harassment and discrimination;

Therefore, be it resolved that the Río Texas Conference of The United Methodist Church, in the name and Spirit of Jesus Christ, shall respectfully request the US Department of Justice immediately discontinue separating children from their families due to the 'zero tolerance policy.'

1500 lay delegates and clergy voted overwhelmingly to support the resolution to end family separation.

The Rio Texas Annual Conference meets every June at the American Bank Center in Corpus Christi, Texas to conduct the business of the United Methodist Church for the Rio Texas region that spreads from north of San Angelo to the Rio Grande Valley in the south. This is the fourth gathering since the former Southwest Texas Conference and Rio Grande Conference merged to become the Rio Texas Annual Conference in 2015.

SAWS PROJECT (John Williams)

“The church has received notification that SAWS will be starting a major project later on in the fall or winter of this year. They are going to replace the water main along Vance Jackson all the way from Interstate 10 to Loop 410. They will be closing 2 lanes of traffic so there will be one lane open going each way. The lanes that will be closed are the 2 lanes closest to the church. The lanes closest to Walmart will remain open. While they are working in front of the church one of our driveways will be blocked. We will have one drive way open at all times. What that means is that you may not be able to park in the parking lot where you normally park. You will have to park on the other side of the church for a month or two. The final plans haven't been completed and we don't have a schedule when this is going to start. SAWS thinks the entire project will take a little more than a year to complete from end to end.

The church will be open and you will be able to park in the parking lot so don't worry.”
