It's Almost Time!!! Vacation Bible School 2016!!!!

St. Marks presents our annual vacation bible school (VBS) from June 27 -July 1. A light meal starts us off at 5:30 in the fellowship hall. Children aged 4 years through fifth grade will enjoy bible stories, music, crafts and recreation. Last year we taught "Who is Jesus". This year we will show them the joy in Praising Jesus! We will have a wrap up celebration on Friday, showcasing what the children learned and inviting the parents to stay for the evening.

We ask for your prayers for this outreach ministry!

From Our Pastor. . .

Let's get ready for Sweet Sunday (Sundae) Summertime! Oh yeah...nothing says summer evenings like a good, ice-cold bowl of our favorite flavored ice cream! So, that's what we're gonna offer on each Sunday evening during the month of June. We had such a lot of fun on May 1st with our game night; we had a good turnout, played dominoes and other games, got to know each other better and... ate 3 different kinds of Dutch Oven Cobblers hot off the coals, courtesy of our Boy Scout Troop! Can you say Mmmmmmmmmmm!?! Man, it was good!

So, we wanted to continue with a good thing; food, fun and fellowship! Hopefully, we can convince the Boy Scouts to join with us and prevail on their culinary skills to supplement our ice cream offerings. My favorite of the three different cobblers they cooked was the peach, but there was an apple crisp and a black forest cherry that tied for second! Can you taste (and smell!) the deliciousness of some HEB Country Cream Vanilla (I think it beats Blue Bell!) with that hot peach cobbler all slippin' and sloppin' around? I'm ready right now!

We're talking about late evenings (7 or 7:30-ish), out in the garden, open to our neighbors, maybe singing a few songs, visiting, getting out the dominoes or whatever...and just chilling on a Sunday evening! What a Sweet Sunday Summer special treat! I hope to see you there on one or some or all the evenings and lets just relax, chill out and enjoy the life God has given us. We'll buy the first round, but by all means, anyone who wants to bring their own special favorite or toppings or whatever, feel free to do so. Hey...with ice cream, it's all good! God bless you!

God bless you,

Jay

Our ESL (English as a Second Language) just graduated its third year of students! This class, led by Reverend Guillermo Chavez began meeting at St. Mark's on Saturday mornings more than three years ago.

On Sunday, May 8th, Rev. Chavez and three of his students, representing one family of three generations, presented Jay with a beautiful certificate of gratitude that reads: Certificate of Appreciation to The Reverend Jay Brown for his constant and unconditional support to the ESL program at St. Mark's United Methodist Church. For this reason we extend this With Profound Gratitude, this 30th day of April, 2016. And it is signed by all the teachers and students.

Thanks, Pastor Jay!!

National Safety Month

June is National Safety Month. Whether it is a heart attack, injury, distracted driving or walking, falls, medications, or water, it is very important to be aware of the dangers around us. We must take the necessary steps to be prepared for the unexpected.

Distracted driving and walking has become an epidemic. In an average year, speeding is involved in 27 traffic deaths every day during June, July and August. Since 2000, more than 11,000 people have been seriously injured because of distracted walking. What can you do? Never use a cell phone behind the wheel, pre-set your navigation system and music playlists before driving. Avoid impairment by designating a driver who is alcohol and drug-free, check your speed, get enough rest before driving, and watch where you are going when you are walking.

Heart disease is the leading cause of death in the U.S. resulting in more than 600,000 deaths in 2014. This is why it is important to get trained in First Aid and CPR. Knowing how to respond could be a matter of life or death.

Deaths associated with prescription pain medication have been in the news lately, taking the lives of very famous people. Every day, 52 people die from prescription opioid overdoses. Do not mix prescription drugs with alcohol; make sure to tell your doctor if you have depression or anxiety, sleep apnea, or a personal or family history of addiction or substance abuse.

Falls are a leading cause of death for older adults. What can you do? Install grab bars in the tub, shower and near the toilet and railings on the stairs, provide adequate lighting in every room and stairway and place nightlights in the kitchen, bathroom and hallways. Talk with your doctor and consider using a cane or walker if you are noticing your balance is off.

When you think of summer, swimming always come to mind. Drowning is the 2nd leading cause of unintentional death among children from one to four years old. The drowning risk continues through the early teens, accounting for 14% of all preventable deaths for children aged five to fourteen. It is very important to protect your children and grandchildren around water. What can you do? Be attentive when your children or grandchildren are near water, stay nearby when your infant or toddler child or grandchild are in water, get a good life jacket and know what to do in an emergency. Be trained in CPR.

For more information about safety, please go to the National Safety Council website: <http://www.nsc.org> or talk to your Wesley Nurse, Charzes Flowers, RN at 210-344-8393.

Friends at St. Mark's UMC;

My vocabulary fails me in finding words powerful enough to thank you for your prayers, love and concern shown to our son, Jeff. He is doing well and recovering nicely from a massive heart attack. It is truly a miracle of our Lord! I put it in line with Jesus causing the blind man to see and the lame man to walk. Our Lord is good and each of you showed us His hand through you. Thank you again for your care, love, concern and most of all for your prayers.

In His Name;
Ron and Imogene

We are going to be starting a Diaper Drive for the Texas Diaper Bank. The Texas Diaper Bank is the organization that funds our monthly Food Truck. They provide diapers for young mothers who can not afford diapers. The mothers are required to take parenting classes before they receive any diapers. This is a wonderful project and I am proud to be a small part of it. Their goal is to raise one million diapers by October. I hope that St Mark's can provide a little piece of that amount. Be looking for the big box coming soon.

Thank you so much!

Patti Austin

The April Food Truck served 160 families. Many people told me how much they appreciated the help they receive every month. They also love Pastor Jay's tacos. Many of the recipients told me they pray for all the volunteers and our church. What a blessing this is for me and our wonderful volunteers. It is such a blessing to help people. This is what God wants us to do.

Thank you to all the volunteers! I am so grateful to all of you.

Pentecost Pachanga!

SOUNDS FROM THE BEANCOUNTERS

The following provides the financial overview for the month of April.

Operating Cash balance at 3/31/2016	16,491
Non-Designated Contributions - April	15,509
Operating Expenses:	
Council on Ministries	1,046
Special Mission Giving	0
Mission Giving	3,495
Administration Expense	(10)
Trustees	4,090
Pastor's Compensation	6,810
Lay Personnel Compensation	7,542
	<u>22,973</u>
Other Income/(Expense)	<u>4,180</u>
Operating Cash balance at 4/30/2016	<u><u>13,207</u></u>

Comments:

April contributions were \$2,107 less than budgeted and \$9,275 lower than 2015. Rental income was higher than budgeted.

Operating expenses were \$4,604 less than budgeted. For the month, Mission Giving was higher by \$401 and was more than offset by lower Trustee and other expense categories. Compared to April 2015, operating expenses are lower by \$1,967. Mission Giving was \$1,547 higher and was partially offset by lower Pastor compensation and Trustee expenditures.

We continue to have a positive operating cash balance. It is important to remember this positive cash balance is not the result of our monthly contributions exceeding our monthly expenses. The large contribution we received in January is primarily responsible for the \$13,207 operating cash balance.

Through April, our apportionment payments are \$45 ahead of budget.

We are thanking each of you for your financial support to St. Mark's. We are hopeful the "Memorial/In Honor Of" brick program will be successful and help our cash balance. God Bless!
